<p>Praise that construction is underway on a new high school in Bugesera! The foundations have been poured and builders are arriving this month to start work.</p>			<p>Pray for restored health for Domina, a student in our program.</p>		<p>Pray for the well-being of parents and guardians of sponsored children across Rwanda. When family dynamics are difficult or a guardian falls ill, children experience the fall-out.</p>	
<b>9</b>	<b>10</b>	<b>11</b>	<b>12</b>	<b>13</b>	<b>14</b>	<b>15</b>
<p>Pray for adults and children in Rubavu who have been devastated by past violence, loss, and poverty, to come to understand their value in Christ. This is an important step toward developing themselves and their communities.</p>			<p>Praise for the miraculous healing of sponsored student Arianne's father in Kigali.</p>		<p>Continue to pray for families moving because of drought or moving to find work. This movement makes it difficult for sponsorship staff to support them.</p>	
<b>16</b>	<b>17</b>	<b>18</b>	<b>19</b>	<b>20</b>	<b>21</b>	<b>22</b>
<p>Pray for additional child development staff for the Kageyo community to support the growing number of sponsored children there.</p>		<p>Pray for health and healing for Adelphina, a sponsored child in our program.</p>		<p>Praise for the general good health of children in Kayonza. Staff report fewer than usual complex illnesses over the past few months, while students with previous health concerns have shown marked improvement.</p>		
<b>23</b>	<b>24</b>	<b>25</b>	<b>26</b>	<b>27</b>	<b>28</b>	<b>29</b>
<p>Praise that a new organic school garden in Bugesera is thriving. Greens and vegetables will soon be available for children at our schools in that community!</p>		<p>Pray for staff in Rubavu as they build relationships with school leader in the area. Strong relationships with public schools allow our staff to be most effective in supporting local children's education.</p>			<p>Praise for 52 children who received Christ during Center Days in Kageyo and 78 who received Christ at Center Days in Bugesera during the spring quarter!</p>

<p>Pray for improved internet connection for the Bugesera sponsorship staff so they can communicate effectively and efficiently.</p>
