

AFRICA NEW LIFE

VALUES

TRUST JESUS

We seek Christ's guidance and depend on His provision in every aspect of our corporate and personal lives.

BE POSITIVE

We assume the good intentions of others, trusting that each person has the mission in mind.

OPERATE WITH INTEGRITY

We give our best to the ministry, recognizing that we are accountable to God, the people we serve, our partners, and each other.

SEEK JUSTICE

We honor the dignity of those we serve. We are mutually submissive in collaboration with our colleagues in Rwanda to set priorities and implement plans.

WORK AS A TEAM

We succeed and fail together; accomplishing our goals through relationships. We plan well, and we are ready and willing to adjust and adapt as circumstances change.

LEAD WELL

We are all leaders. We move the ministry forward by actively looking for ways to improve and grow.

PERSONALIZE THE EXPERIENCE

We believe in the power of meaningful connections between ministry partners, staff, and recipients.
