

THE NEED

For the **39%** of Rwandans who live in poverty, basic necessities like food are difficult to come by. The World Food Programme estimates that over **50%** of children in Rwanda suffer from malnutrition. Without sufficient food or the nutrients their bodies need, children cannot concentrate, learn, or grow.

THE SOLUTION

Africa New Life Ministries provides more than **2,000,000 meals** each year to students in Rwanda through the schools and programs they manage. Kids Around the World's OneMeal program helps make this possible by providing nutritious food that is easily packed, shipped, stored, and prepared.

2 hours  **= 1 year of food**

This fall, join with businesses from throughout the Portland area to provide hundreds of thousands of meals for hungry children in Rwanda through **Food for Good 2019**. With your sponsorship of this event and the volunteered effort of the Portland community, we can make daily nutrition a reality for thousands of Rwandan children in need.

THE IMPACT

For hungry children, food means more than just subsistence. It also means having the energy to play, the ability to concentrate and learn, and the hope of a future free of poverty!

Meal-packing is a fun, engaging community activity that lets you be part of the solution for hungry children! Business teams, families, or friends can participate in meal-packing and work together to help break the cycle of poverty for families in Rwanda.

THE IMPACT ADDS UP QUICKLY:

- 1 person can pack 365 meals in just 2 hours—**a year's worth of meals for a child!**
- Just one box of meals from this event will **provide food for more than 200 children** in need.
