NAOME'S STORY: DREAMING OF A FUTURE IN TOURISM

NAOME, age 17, is in Senior 5 (11th grade) and lives with her mother and four siblings. Just one year ago she was sponsored through Africa New Life—and it has already made a meaningful difference for her family.

“My mom is now happy that I am sponsored,” Naome says. “The burden of school fees is off her shoulders.”

Through her sponsor, Naome has received gifts through the Online Store like hygiene supplies, clothing, blankets, and food. These simple items bring dignity and stability—helping her care for herself, stay in class, and support her family.

Naome enjoys praying, studying, and playing volleyball. At school, she is specializing in tourism courses and dreams of becoming a tour guide so she can help provide for her family. Her faith in Christ, along with her mother’s encouragement to “pray and study hard,” guides her as she looks ahead with hope.

Thanks to her sponsor’s support, Naome can focus on learning, growing, and dreaming big—moving confidently toward her goals. Her dream, and her mother’s dream, is that she grows into “a great woman, one with a good job and a bright future.”

WHY THESE GIFTS MATTER

Each gift is carefully chosen by our Rwandan leadership team to meet real needs. While they may not seem “fun,” these items help students attend school with dignity, stay healthy, and support their families, serving as daily reminders of care, provision, and hope.

Our Online Store Christmas season runs from October 15 to December 31. You will receive a thank you photo via email in 2026.

HOW TO ORDER A GIFT

There are two ways to order items for your sponsored student. The easiest is to go to our Online Store at africanewlife.org/gifts:

1. Log into your existing Africa New Life account to see available gifts.
2. Click an item to read the detailed description.
3. Click the box next to your sponsored student's name. If you don't see their name, make sure you're logged into the correct account or select a different item.
4. Click the box next to "Any Student in Need" if you'd like to give to another student. These gifts benefit the most vulnerable families in our program.
5. Go to your cart and complete the checkout process.

Not sure what to order?
Visit africanewlife.org/giftideas for helpful tips.

Alternatively, you may call our office and place your order over the phone.
